📄 Professional Experience

As I'm currently **looking for my first opportunity as an animator**, my previous experience is only related to multimedia development.

2010 – 2014 Freelancer

Web Design & Development
C#.NET, PHP, AS3 (Flash), JavaScript, HTML/CSS

Notable collaborations/teamwork:

➤ **Blue Fountain Media** (remote work with the NYC team)

Sample project: <http://ads.aolonnetwork.com/>
In-House CMS functionality extension, back-end and front-end dev. on several projects, either from scratch or by working with existing CMS such as *Umbraco* or *Wordpress*.

➤ **Ingreme Pós-Produção** (remote and in-loco collaboration)

Sample project: <http://ingreme.com/v2/flash/>
Custom CMS development in order to manage all the FLV animation clips used in the flash site. Flash dev. for the main website (AS3).

➤ **M-Insight** (remote and in-loco collaboration)

Internal project. Direct collaboration with the core dev. team in order to create an in-house C#.NET-based CMS for mobile app contents retrieved and updated in XML format.
